

Robot Action Song

(Sing to the tune of 'The Wheels on the Bus'.)

Today I saw a robot toy, robot toy, robot toy,
Today I saw a robot toy, see him work!

The wheels on my robot go round and round,
round and round, round and round,
The wheels on my robot go round and round, see him work!

The levers on my robot push and pull,
push and pull, push and pull,
The levers on my robot push and pull, see him work!

The buttons on my robot go on and off,
on and off, on and off,
The buttons on my robot go on and off, see him work!

The springs on my robot can stretch up high,
stretch up high, stretch up high,
The springs on my robot can stretch up high, see him work!

Now my robot is very tired, very tired, very tired,
Now my robot is very tired, wave goodbye!
