

Lakeside Primary School - N/Rec Learning Grid Date: 13.07.20 - 17.07.20 Theme: Pirates and Transition

Choose a range of learning across the week to complete.

Resource sheets are provided as guidance and don't need to be printed if you don't want to.

You can also include any activities and learning of your own! Please email Reception@lakeside.staffs.sch.uk

English	<p>Treasure or Fake words Use your blending skills to read the phase 2 words on the coins and decide if it is a real or fake word. (See resource sheet)</p>	<p>Pirate Flag Think about what makes you special. Create a pirate flag of all the things that are special to you. You could use the sheet or design your own.</p>	<p>Treasure Map N - Design and make your own treasure map! R - Can you label the places on your map or write instructions for your pirate friends to find the treasure?</p>	<p>Pirate Puppets Colour in the different parts of the pirate. Then cut them out and stick them back together to make a pirate picture! (see sheet) Challenge: Write a sentence about your pirate.</p>
Maths	<p>Crack the code! Use the numbers to crack the code. Then answer the addition questions. Use counters or cubes to help you or you could draw pictures. (See resource sheet)</p>	<p>Counting Rec - Count the pirate objects and write the number into the circle. N - Count the objects using your finger to press each one. Tell an adult your answer. (See resource sheet)</p>	<p>Sharing Half The two pirates need to share their treasure. Cut out the treasure and make sure that each pirate gets half each so that it is fair. (See resource sheet)</p>	<p>Doubles Carefully look inside the treasure chests. Can you double the amount of golden coins? (See resource sheet)</p>
Topic	<p>Get creative! Can you make your own Pirate Ship? You could make it in the garden out of furniture, big boxes, blankets etc. Make sure you can fit in it!</p>	<p>Pirate Passport Complete your passport so that your new teacher knows all about you. Adults can help write your answers and you can draw the pictures! (see sheet)</p>	<p>Investigate! Use the Science Experiments sheets to explore sinking, floating, materials and magnets!</p>	<p>Treasure! N - Use crayons to make coin rubbings for your own treasure! R - Use the coin rubbings to make amounts to 10p. How many different ways can you make 10p?</p>
Daily Activities	<p>Pencil Control See if you can follow the dots carefully with your pencil. You could try to make a rainbow by doing it each day but with a different colour. (see sheet)</p>	<p>Reading: Share the story of Jake's First Day - Twinkl eBook. Can you think of any other stories you know that have pirates in them?</p>	<p>Pirate Party! Invite a friend or family member to a pirate party in your garden. Make them an invite so they know what day, time and where to go. Design a pirate hat for you and your friend (see sheet for an idea). Make some yummy pirate snacks with an adult (see sheet for an idea). You could make some pirate themed bunting and sing some pirate songs. You have worked so hard over the last few months - we hope you have lots of fun! ☺</p>
