

Pirates' Treasure

The two pirates need to share their treasure! Make sure they get half of everything or there will be mutiny!
Cut and stick the treasure onto the Pirate Jack and Pirate Jenny sheet.

Pirates' Treasure

Share the treasure fairly - $\frac{1}{2}$ for Pirate Jack and $\frac{1}{2}$ for Pirate Jenny.

This is Pirate Pete's half of the treasure:

Can you draw Pirate Paul's half of the treasure?
