

**Action Plan for Wider Opening of School
September 2020
Coronavirus only**

Wider Opening Actions – Lakeside Specific

From Thursday 3rd September 2020, schools will be fully open to **all** Year groups. However, this will not be as we would normally expect in September. Instead it will replicate what school has implemented since June in that classes will remain in ‘Bubbles’.

‘Bubbles’

To ensure that we can adhere to the guidance and attempt to control the transmission of any potential infection, we shall be continuing to operate a ‘Bubble’ system across the school. Each Year group will be grouped into different bubbles. The bubble will consist of at least:

- pupils
- 1 Teacher or Higher Level Teaching assistant (HLTA)
- 1 Teaching Assistant (TA) or HLTA

The children will only interact with the members in their bubble and will not come into contact with any other pupils in school. The pupils will be grouped as follows:

Bubbles	Year Group	Class Location	Staff
Cygnets	Nursery	See Appendix A	Miss Collins, Mrs Purshouse
Ducklings	Reception	See Appendix A	Mrs Yardley, Mrs Vale
Owls	Year 1	See Appendix A	Miss Jones, Mrs Morgan, Miss Edwards
Hedgehogs	Year 2	See Appendix A	Mrs Davies, Mrs Wileman,
Dragonflies	Year 3	See Appendix A	Miss Smith, Mr Scott
Foxes	Year 4	See Appendix A	Mrs Murdoch/Mrs Youd, Mrs Downes, Mrs Meads
Badgers	Year 5	See Appendix A	Mrs Charles
Swans	Year 6	See Appendix A	Mr Swift, Mrs Darlaston

Additional staff not allocated in the table above remain outside of the bubbles and contact with children within bubbles will be at a minimum. The bubbles will be arranged so that they do not interact with each other.

Miss Doxford (FSW) will work from home but will be in regular contact with the safeguarding team via video call.

Wider Staff Teams

Cleaning Team	
Staff	Location/Base
Mr Barker	Mobile/Main Office
Mr Probert	HT Office

While classrooms are empty, Mr Probert and Mr Barker will clean down key areas in the classroom.

Miss Jones will continue in her role as SENDCO. Parents will be able to contact her via message into the main school office telephone number (01872 213990) office email: office@lakeside.staffs.sch.uk as a face to face at the end of the day will no longer be possible.

Office Team	
Staff	Location/Base
Mrs Barker	Office
Mrs Male	Rainbow Room

Due to the size of the school office, Mrs Barker and Mrs Male cannot maintain a 2m distance. As a result, for the foreseeable future, Mrs Male will be based in the Rainbow Room.

Lunchtime Supervisor Team	
Staff	Location/Base
Mrs Hoye	Nursery - Cygnets
Mrs Vale and Mrs Hoye	Reception - Ducklings
Mrs Baker	Year 1 - Owls
Mrs Mortimer	Year 2 - Hedgehogs
Mrs Brittle	Year 3 - Dragonflies
Mrs Meads	Year 4 - Foxes
Mrs Weston	Year 5 - Badgers
Mrs Andrews	Year 6 - Swans

Start of the day Procedure (Mon – Fri)

To try and accommodate children entering the school safely, we will be staggering the start of the day. From Thursday 3rd September 2020, pupils start times will be as follows:

8:30am

- Nursery/Reception children

8:45am

- Year 1/Year 2 children

9:00am

- Year 3/Year 4 children

9:15am

- Year 5/Year 6 children

Below is a list of instructions we are asking families to follow in order to safely get the children into school:

- We shall be operating a one way system on to and out of the school premises. All pupils will need to come to school via the Main school Gate (staff car park).

- We are then asking that families use the path closest to the school field and walk up the drive to drop their children off.
- Once at the top of the drive, parents/carers and pupils will be greeted at the Red Gates by Mr Probert. Children will then leave their parents/carers at the gate and enter school grounds. From here, they will walk round the outside of the school and enter school through their own external class door. In the initial few days, staff (TAs) will be stationed around the outside of the school to help children get to their classroom. This will be the case for all pupils except for Nursery and Reception which is explained in the points below.

• **NURSERY PARENTS:** Nursery parents will be allowed to take their children round to the Nursery entrance. We ask that Nursery Parents still enter school via the Red Gates at the top of the drive and walk round to the nursery entrance to drop children off. Once they have dropped their children off, parents will then need to leave the school site before 8:45am by walking back round to the red gates they entered through.

• **RECEPTION PARENTS:** Reception parents will drop their children off at the Reception Green gates again located at the top of the main drive.

- 2 metre distancing will be marked on the path up to the school to aid social distancing.
- Once parents/carers have dropped their children off at school, we ask that they leave the school premises by walking back down the drive towards the main gate on the opposite side to the path (next to where the staff have parked their cars). The gates for cars will be closed at 8:20am in order to safeguard pedestrians when they are on the school site.
- At the end of the day, the gates for cars will remain closed until after 3:50pm. This is to safeguard all pedestrians on site. No vehicles will be allowed entry or exit from the car park before this time unless controlled by a member of staff. Teachers will remain on site until at least 3:30pm.
- **All other gates on to the school premises will remain closed and will not be in use.**
- On entry to school, we have given a 15minute window (see above) to allow parents/carers to drop their children off. In order to get the pupils in to school in an orderly fashion, we would appreciate that parents/carers help by arriving promptly at school at their allocated time. If there is a need to line up, we have marked out two metre spots in line with social distancing guidelines for parents/carers to safely wait to enter school.
- We also appreciate that parents/carers may have more than one child attending school in different age groups. If this is the case, we are asking that you bring older children at the same time as the youngest child is expected in school. For example:
 - **A parent/carer has children that are in Reception and Year 5. Please bring both children at 8:30am. From here they will move to their individual bubbles.**
- Pupils **WILL** have to wear school uniform and staff will be expected to return to wearing professional work dress.

End of the Day Times

To try and accommodate children exiting the school safely, we will be staggering the end of the day collection times. From Thursday 3rd September 2020, pupils end of the day times will be as follows:

Time	Bubbles	Year Group
2:30pm	Ducklings	Reception
2:40pm	Owls	Year 1
2:50pm	Hedgehogs	Year 2
3:00pm	Cygnets	Nursery
3:10pm	Dragonflies	Year 3
3:20pm	Foxes	Year 4
3:30pm	Badgers	Year 5
3:40pm	Swans	Year 6

End of Day Procedures

Below is a list of instructions we are asking families to follow in order to safely get the children out of school:

- At the end of the day, children will leave school via their own external door. Their class teacher and TA will walk them round to the red gates (where they entered school in the morning).
- Each bubble will come to this area at their allotted time where they will be released to their parent/carer one by one.
- We are asking that parents/carers follow the same one way guidelines explained above when dropping the children at school. Parents are to use the path closest to the field when coming to school to collect their children.
- Once they have collected their child/ren, we again ask that parents/carers leave the school premises promptly by walking back down the drive towards the main gate on the opposite side to the path (next to where the staff have parked their cars).
- Mr Probert will again be on the Red Gate to help dismiss the children and again we ask that you follow the social distancing measures that will be put in place and detailed above.
- We have allocated a 10minute window (see above) to allow parents/carers to collect their children from school. In order to get the pupils dismissed in an orderly fashion, we

would appreciate that parents/carers help by arriving promptly at school at their allocated time. If there is a need to line up, we have marked out two metre spots in line with social distancing guidelines for parents/carers to safely wait to enter school.

- We shall endeavour to release siblings at the same time. Again the oldest pupil will go home at the same time as the youngest pupil for example:
 - **A parent/carer has children that are in Reception (Ducklings) and Year 5. This means the Year 5 pupil will go home at 2:30pm.**
 - **This will be the case for all pupils except for those families that have children in Nursery and Reception, Year 1 and Year 2. In this instance, to ensure Nursery children complete their allocated time, older siblings in Reception, Year 1 and Year 2 will go home at 3:00pm when Nursery are released.**

End of Morning session Procedures for Nursery

- The morning session for Nursery will end at 11:30am and children going home will be escorted round to the Red Gates (top of the drive) by a member of staff.
- We ask that parents arrive at 11:30am and the children will be released to their parent/carer one by one.
- We are asking that parents/carers follow the same one way guidelines explained above when dropping the children at school. Parents are to use the path closest to the field when coming to school to collect their children.
- Once they have collected their child/ren, we again ask that parents/carers leave the school premises promptly by walking back down the drive towards the main gate on the opposite side to the path (next to where the staff have parked their cars).
- A member of staff will again be on the Red Gate to help dismiss the children and again we ask that you follow the social distancing measures that will be put in place and detailed above.

Communication

Communication between home and school during any time is crucial. At Lakeside we run an 'Open Door Policy' and invite parents to interact with all staff. Unfortunately, this will not be the case when we open more widely. Although Mr Probert and staff will be on the gate at the end of the day, they will not be available to discuss issues as they would have done in the past. That said we still want to remain as accessible as possible to parents. If you wish to contact a teacher direct, please continue to use the school contact details:

Tel: 01827 213990

Email: office@lakeside.staffs.sch.uk

All staff will be happy to discuss matters further and will reply promptly to any issues or questions you may have.

If you need to speak to anyone in the school office, we are still allowing only one person into the Reception entrance area at any one time. Mrs Barker and Mrs Male will communicate through the hatch but we ask that you observe the 2m boxed area in front of the hatch when speaking to the office staff. This is again to comply with social distancing guidance.

Observing Good Hygiene Practice

One of our measures to safeguard the pupils is to ensure frequent hand cleaning as well as observe good hygiene practices. This will mean the children will have to wash their hands at different points throughout the day. This will include:

- On entry into school in the morning,
- After break times,
- Before lunch times,
- After lunch times,
- Before leaving school at the end of the day,
- After each time they go to the toilet,
- Any time staff deem it appropriate.
- Posters will be displayed in the classroom at each sink modelling the steps to wash their hands correctly.

During the school day, children will be constantly reminded of the need to observe good respiratory hygiene (coughing into their elbow). If they cough/sneeze into their hands they will be asked to wash their hands immediately after. Boxes of tissues will also be readily available in each of the classrooms.

Additionally, periodically throughout the day, the staff cleaning team (see above) will be responsible for cleaning down work stations, door handles, toilets and any other necessary surfaces.

School will be thoroughly cleaned before the start of each school day.

No Early Wednesday Closure

During the initial Wider Opening of schools in June, as an additional measure, school closed early on Wednesday to ensure teacher PPA continued as well as a deep clean of the site took place. Following the guidance that has been released on 2nd July 2020, as it states '**prevalence of coronavirus (COVID-19) has decreased**' there is no longer a need for this to take place. As a result, school will remain open on a Wednesday afternoon and will NOT close early as it had in the Summer term. The guidance states '**teachers in primary schools can still work across groups if that is needed to enable a full educational offer**'. This has enabled us to offer PPA for staff while still remaining open to parents and supporting them with childcare and work commitments

Lunch time and Break times

Like the start and end of the day, to ensure bubbles do not interact with each other, these will be staggered. We are fortunate at Lakeside to have two playgrounds as well as a sizeable school field. These will be utilised to make sure that pupils can access outside learning.

Break times will work as follows:

- TAs to take children out at break time with a walkie-talkie.
- Children will be able to have a snack at break time but this will need to be provided from home. Children will follow good hygiene practices before eating their snack on the playground.
- The cleaning team enter the classroom once it is clear of pupils and staff to wipe down tables, work surfaces, doors and handles.
- TAs to take their personal break time either before or after the children's break duty. Staff breaks to be taken in the hall as the staff room will no longer be in use. The staff room will be used for making and collecting refreshment.

Bubble	Year Group	Time	Where
Ducklings	Reception	During morning (flexi)	Reception outdoor area
Owls	Year 1	10:20 – 10:35	KS1 playground
Hedgehogs	Year 2	10:45 – 11:00	KS1 playground
Dragonflies	Year 3	10:45 – 11:00	KS2 playground B*
Foxes	Year 4	10:45 – 11:00	KS2 playground A*
Badgers	Year 5	11:05 – 11:20	KS2 playground A*
Swans	Year 6	11:05 – 11:20	KS1 playground B*

**KS2 playground A – closest to the trim trail *KS2 playground B – closest to the field*

Lunch times will work as follows:

- Lunchtime for each bubble will last for 45minutes.
- Times will be staggered.
- Children will eat their lunch in the classrooms.
- **A warm grab bag will be provided** – this option from the school kitchen will be available for all Reception and KS1 children that wish to have one under the Universal Free School Meal (UFSM) scheme.
- Children in school who qualify as Free School Meal pupils will also be able to access a lunch from the school kitchen. In addition, these meals can be purchased from the kitchen as you would normally purchase a school dinner.
- If you wish to provide your child with a lunch box from home please feel free to do so.
- Children who want a meal from the school kitchen will choose which option they want during morning registration. These will then be made by Heidi (School cook) and these will be collected by the Bubble's TA/Teacher from the kitchen before lunchtime along with any required plates and cutlery. These will be returned at the end of the lunch period by supervisors for Heidi to wash. We are hoping to widen the kitchen provision to include a

more varied menu. When this is possible and we have more information regarding how this can be done, we shall be in touch.

- Playground time will be timetabled (see below).

Class	Lunch Supervisor	Timings	
Nursery	Mrs Hoyer	11:30 – 12:00 Lunch in the classroom	
Reception (Cygnets)	Mrs Vale and Mrs Hoyer	11:45 – 12:30 Lunch in the classroom/Reception outdoor area	
Year One (Owls)	Mrs Baker	12:00 – 12:15	12:15 – 12:45
		KS1 playground	Lunch in classroom
Year Two (Hedgehogs)	Mrs Mortimer	12:20 – 12:35	12:35 – 1:05
		KS1 playground	Lunch in classroom
Year Three (Dragonflies)	Mrs Brittle	12:20 – 12:35	12:35 – 1:05
		KS2 playground B*	Lunch in classroom
Year Four (Foxes)	Mrs Meads	12:20 – 12:35	12:35 – 1:05
		KS2 playground A*	Lunch in classroom
Year Five (Badgers)	Mrs Weston	12:40 – 12:55	12:55 – 1:25
		KS2 playground A*	Lunch in classroom
Year Six (Swans)	Mrs Andrews	12:40 – 12:55	12:55 – 1:25
		KS2 playground B*	Lunch in classroom

**KS2 playground A – closest to the trim trail *KS2 playground B – closest to the field*

- **Lunchtime supervision will be facilitated by Lunchtime Supervisors. The will cover both the full 45minute session.**
- Before entering the classroom, Lunchtime Supervisors to wear the necessary PPE and take a walkie-talkie into the room. Once the 45minute lunch period is over, supervisors to leave the classroom, remove any PPE and dispose of waste in the classroom or outside bins. Walkie-Talkie will be used to communicate between supervisors and the school Senior Leadership Team.
- Staff Lunch breaks will be taken in the hall. At all times, staff should observe 2m social distancing guidelines are met and no more than 3 people will be allowed in the staffroom to collect/make refreshments at any one time.
- Each bubble will have a set of equipment that they can use outside for their 15minute break.
- DV to take lunch break after lunchtime supervisor duty has finished.

FSM

- As schools open more widely and kitchens reopen, Reception children and all of KS1 children will qualify for Universal Free School Meals; school will provide these children with a lunch.
- If a child does not qualify for Free School Meals or are **NOT** in Reception, Year 1 or Year 2 they need to bring a packed lunch to school.
- Alternatively, parents can purchase a warm grab bag from the kitchen which can be paid for as parents would have usually paid for a school dinner.
- Children who have qualified for FSM vouchers through Edenred during 'lockdown' will no longer receive these vouchers as the scheme will end at the end of August. Lunch will be provided in school for their children.
- **If you believe that you qualify for the Free School Meal entitlement, please follow this link:**

<https://www.staffordshire.gov.uk/Education/Educational-awards-benefits/FreeSchoolMeals/Apply-online.aspx>

which will tell you if you are eligible to claim. I urge families to do this as it provides finances that the school can use to support your child's education.

Classroom layout

Government guidelines now state that ***'...maintaining consistent groups remains important but given the decrease in prevalence of coronavirus (COVID-19) and the resumption of the full range of curriculum subjects, schools may need to change the emphasis on the bubbles within their systems of controls and increase the size of these groups'***. With this in mind, it means that we are able to ensure that all pupils can return to school in full class sizes.

In order to facilitate the pupils in the classroom, we shall follow the guidance when it states ***'Schools should make small adaptations to the classroom... ...That should include seating pupils side by side and facing forwards rather than face to face or side on and might include moving unnecessary furniture out of the classroom to make more space'***. Staff have been creative in organising their classrooms to ensure this is the case for the majority of children who will experience more formalised styles of teaching and learning.

However, we do accept that a formal style of learning will not be feasible for the youngest of children (Nursery and Reception) and ***'recognise that younger children will not be able to maintain distancing, and it is acceptable for them not to distance in their group'***. Although this is the case, it will be important that while distancing may not be possible in the bubble, to minimise the amount of interaction across the school, the bubbles will not come into direct contact with each other.

We have paid particular attention to ensuring that when moving around school, bubbles will not interact with each other. To ensure this, we have created specific 'Bubble Routes' and staggered start and end times when pupils need to move around the school site.

Unlike in June, cloakrooms will be in use from September for children to hang their coats and bags. Stationary and resources while shared in the bubble, will be limited to just that class.

Toilets

Toilets and cloakroom areas are located inside the classrooms. When pupils need the toilet, they will be allowed to go one at a time. This will be to maintain social distancing. As an additional measure, pupils will be escorted by staff members within their bubble to the toilet. They will wait outside the toilet to ensure children observe social distancing and good hand hygiene when they come out of using the toilet. Toilets will be cleaned down periodically through the day to maintain good hygiene.

In September, the Year 5 classroom will be where the ICT suite is currently located. While this room is more conducive to good education, it does not have its own toilet and hand washing facility. To combat this, hand sanitiser stations (60% alcohol content) will be put into the Year 5 classroom that will be accessible for pupils and staff working in this classroom. Additionally, pupils will now use the toilet located next to the staff room as their toilet facility. As one of the control measures for staff is such that only one member of staff uses the toilet at any one time, staff will now use the toilet located next to the photocopier as their rest room. If staff need to use an additional toilet, they can access the disabled toilet located in the mobile classroom.

First Aid/Intimate Care

- Each bubble will have access to a member of staff who is first aid trained.
- Each bubble will have access to a classroom first aid kit.
- PPE will be provided to all staff when administering first aid. This will be housed in each individual classroom. Once used the PPE must be disposed of in a bin/container.
- PPE will be provided when delivering intimate care. This will be housed in each individual classroom. Once used the PPE must be disposed of in a bin/container.

COVID-19 Symptoms

- Staff and Pupils should **NOT** come into school and will be sent home from school if they have symptoms:
 - A new, continuous cough
 - A high temperature (above 37.8 degrees)
 - Has a loss of or a change in their normal sense of taste or smell (anosmia)
- If a child becomes symptomatic while in school, they will be removed and isolated in the mobile. If a pupil needs to access the toilet while being symptomatic, they can do so while in the mobile. That toilet will then need to be cleaned once the pupil has left the school site.

- Once the child has been isolated, the bubble will be removed from the classroom where the room shall be thoroughly cleaned. Cleaning staff will wear PPE before entering the room to clean down.
- The child's parents will be called and the child will go home and must begin to self-isolate. Parents will also need to book a test <https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested>
- All children can be tested; including children under 5, but children aged 11 and under will need to be helped by their parents and carers if using the home testing kit.
- Anyone who is displaying symptoms of COVID-19 should get a test. Tests can be booked online through the NHS [testing and tracing for coronavirus website](https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/) (<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/>), or ordered by telephone via NHS 119 for those without access to the internet.
- The Headteacher will arrange a test for any employee who is displaying symptoms of COVID-19 through the Employer Portal: <https://coronavirus-invite-testing.service.gov.uk/Requests.aspx> Staff will then receive a text explaining what they need to do to access the test.
- We will ask parents and staff to inform us immediately of the results of a test:
 - if someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better. Other members of their household can stop self-isolating.
 - if someone tests positive, they should follow the '[stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#)' and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to school only if they no longer have a high temperature. This is because a cough or anosmia can last for several weeks once the infection has gone. The 7-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Other members of their household should continue self-isolating for the full 14 days.
- School will contact the Local Health Protection Team if a positive test is confirmed:

West Midlands North HPT

Public Health England
 Stonefield House
 St Georges Hospital
 Corporation Street
 Stafford
 ST16 3SR

Telephone 0344 225 3560 (option 2)

Out of hours advice 01384 679 031

- Based on the advice from the health protection team, we will send home those people who have been in close contact with the person **who has tested positive**, advising them to self-isolate for 14 days since they were last in close contact with that person when they were infectious. Close contact means:
 - direct close contacts - face to face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin)
 - proximity contacts - extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual
 - travelling in a small vehicle, like a car, with an infected person
- The health protection team will provide definitive advice on who must be sent home. To support them in doing so, the guidance recommends schools keep a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups. This list and timetable will be kept in the school office.
- Household members of those who are sent home **do not** need to self-isolate themselves unless the child, young person or staff member who is self-isolating subsequently develops symptoms. If someone in a class or group that has been asked to self-isolate develops symptoms themselves within their 14-day isolation period they should follow [‘stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection’](#). They should get a test, and:
 - if the test delivers a negative result, they must remain in isolation for the remainder of the 14-day isolation period. This is because they could still develop the coronavirus (COVID-19) within the remaining days.
 - if the test result is positive, they should inform their setting immediately, and must isolate for at least 7 days from the onset of their symptoms (which could mean the self-isolation ends before or after the original 14-day isolation period). Their household should self-isolate for at least 14 days from when the symptomatic person first had symptoms, following [‘stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection’](#)

No one with the above symptoms should attend Lakeside for any reason. If you experience these symptoms you are advised to stay at home and book a test.

If a positive result is returned and a bubble needs to be closed, it will remain closed for the full 14 day isolation period. Staff and children will not be allowed to come to school within this period.

- If schools have two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, we may have an outbreak, and must work with our local health protection team who will be able to advise if additional action is required.

Attendance

In March when the coronavirus (COVID-19) outbreak was increasing, the government made clear no parent would be penalised or sanctioned for their child's non-attendance at school.

Now the circumstances have changed and it is vital for all children to return to school to minimise as far as possible the longer-term impact of the pandemic on children's education, wellbeing and wider development.

School attendance will therefore be mandatory again from the beginning of the autumn term. This means from that point, the usual rules on school attendance will apply, including:

- parents' duty to secure that their child attends regularly at school where the child is a registered pupil at school and they are of compulsory school age;
- schools' responsibilities to record attendance and follow up absence
- the availability to issue sanctions, including fixed penalty notices in line with local authorities' codes of conduct

Curriculum

The curriculum for pupils returning to school will be different in September. We have made provision for what we are calling a 'Recovery Curriculum'. This will include an intensified focus on crucial key objectives for English (Reading and Writing) and Mathematics as well as a curriculum designed to support the pupils' social, emotional, and mental wellbeing.

We pride ourselves at Lakeside on how well our staff nurture the children and this will not have changed. Making sure those children returning settle back into a new school routine with as little distress as possible will be paramount to what we do in the initial few weeks.

In school, mornings will consist of English (Reading and Writing) and Mathematics. The afternoons will be based around pupil's social, emotional and mental wellbeing which shall include themes such as:

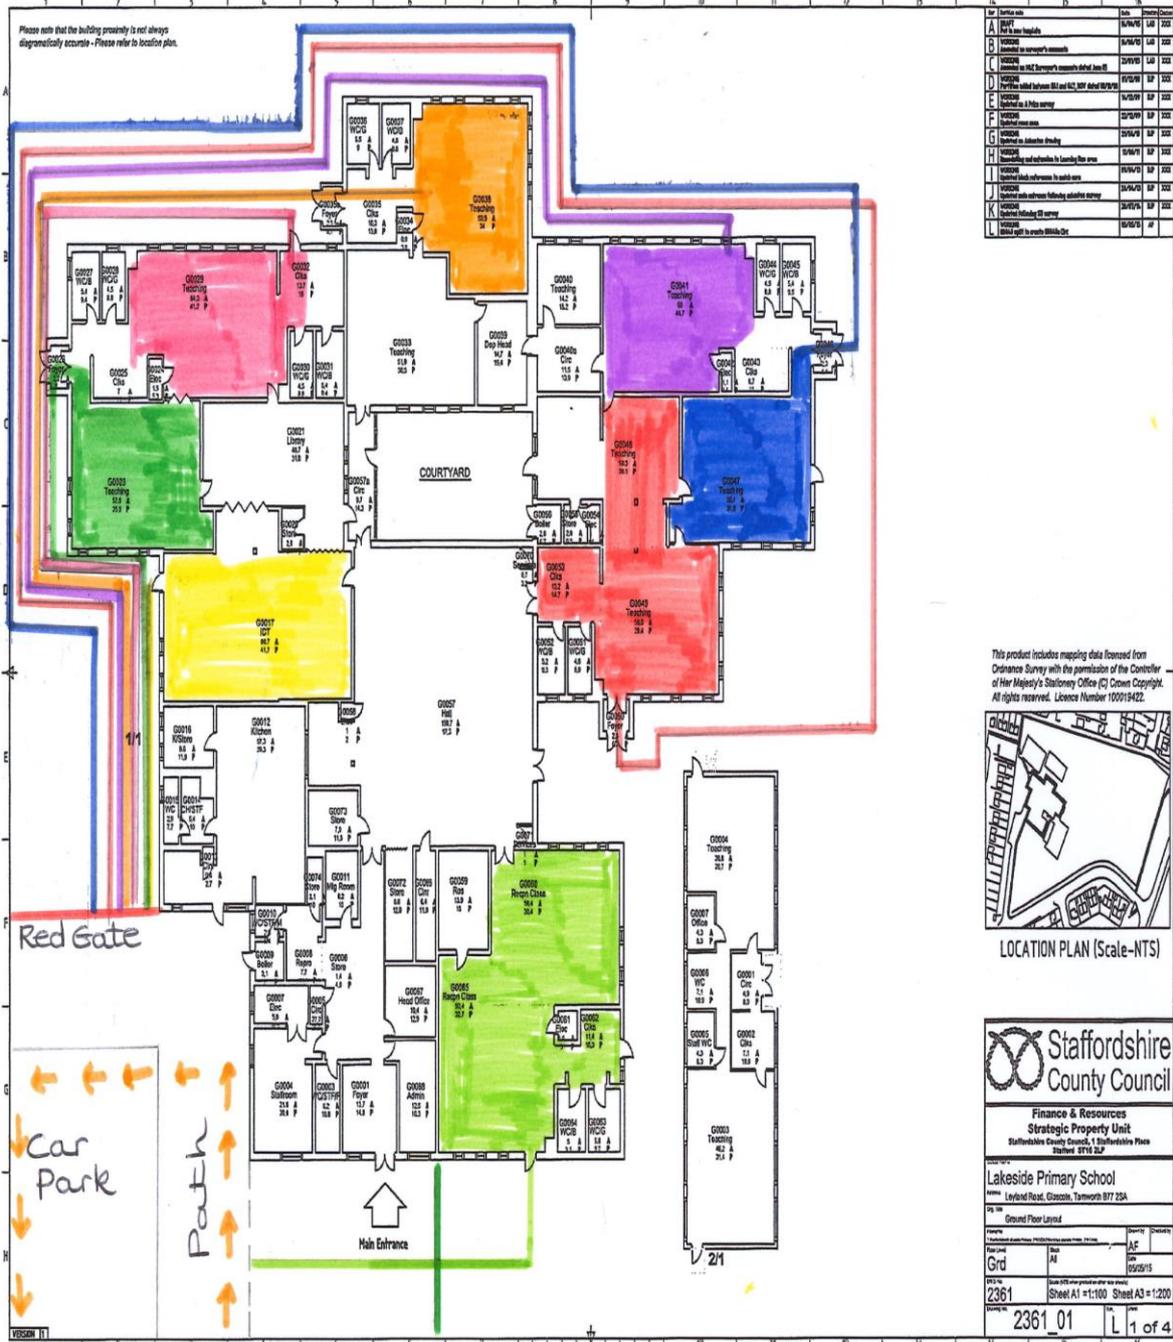

- Relationships
- Community
- Resilience
- Growth Mindset
- Personal Space.

This Recovery Curriculum will run initially for the first half term and staff will be working hard to support all pupils in every aspect of their education. Throughout the rest of the year, we shall continue to provide a broad and balanced curriculum so all pupils' skills and talents can be catered for.

We know that many parents will be concerned that their child may be 'behind'. Let us reassure you that this can't be the case, as no one has received the education they would have received if the pandemic had not taken place. All children are where they were in March. Think of the last few months as being a 'pause' on learning, not a rewind!
