If you use Android 4.4 Kit Kat, you won't see the Drive icon ⧊, but you can still attach Drive files:

If you use Android 4.3 Jelly Bean, when you tap the Drive icon ⧊, you'll be asked to update your device. For instructions, go to [Update your Android version](#)   . The update might not work on some older devices, but you can choose another option:

- Copy the file link from your mobile browser ⟩ tap Add link ⇔ to attach it.
- Use a computer rather than a mobile device.
