The Mercia Primary Academy Trust follows all DFE and Local Authority advice regarding Attendance and any information from them runs in concurrence with the below.

The schools in Mercia Primary Academy trust set a minimum attendance target of 97%

This policy aims to raise the profile of attendance by encouraging and promoting a positive attitude in order that all children can achieve a good rate of attendance throughout their time at school. Promoting positive behaviour and excellent attendance is the responsibility of the whole school community. The school will promote positive behaviour and good attendance through its use of curriculum and learning materials. Good attendance and behaviour by pupils will be recognised appropriately.

All children should be at school, on time, every day the school is open. Children are sometimes reluctant to attend school. Any problems that arise with attendance are best resolved between the school, the parents/carers and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse. Permitting absence from school without a good reason is an offence by the parent/carer.

The attendance and behaviour policy must include procedural referral agreements that are designed to promote and safeguard the welfare of pupils. **Schools have a duty in law to refer any absence of 20 sessions (10 days) or more over a 12week period where they have been unable to make contact with the parent/carer, their child or have general concerns about the absence.** Schools will refer to the Education Welfare Service (Local Support Team) and you may receive a penalty warning notice and also potentially a fine.

Schools are required to take an attendance register twice a day, and this shows whether the pupil is present, engaged in an approved educational activity off-site, or absent. Only school can authorise the absence, not the parent/carer. This is why information about the cause of each absence is always required. Authorised absences are mornings or afternoons away from school for a good reason like illness or other unavoidable cause. **Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes:**

- **Parents/carers keeping children off school unnecessarily**
- **Truancy before or during the school day**
- **Absences which have never been properly explained**
- **Children who arrive at school too late to receive a mark**

Parents/carers whose children are experiencing difficulties should contact the school at an early stage and work together with the staff in resolving any problems. This is nearly always successful. **Our Family Support Worker will work with parents/carers to resolve problems which may affect the child's attendance.** We may involve representatives of other agencies that work within the school i.e. Sapling Support, the School Nurse, the Early Help Team etc. where required in order to ensure all children benefit from consistently good punctuality and attendance. If difficulties cannot be resolved in this way, the school will refer the child to an Education Welfare Worker (Targeted Services, Families First), who may issue Penalty Notices or instigate court proceedings.

School Attendance and the Law

Under Section 44 of the Education Act 1996, parents/carers of a child of compulsory school age are under a legal duty to ensure the regular attendance of that child at the school where he/she is a registered pupil. Failure to discharge this duty may result in the LA prosecuting the parents/carers.

This policy reflects the most up to date legal powers and duties that govern school attendance in accordance with The Education Act 1996 and subsequent regulations and amendments.

- **Authorised absence** means that the school has given approval in advance for a pupil of compulsory school age to be absent from school.
- **Unauthorised absence** is where a school is not satisfied with the reasons given for the absence.

Authority to decide whether to authorise an absence can only be given by the Headteacher or a person acting in the absence of the Headteacher. This is to agree that there was a legitimate reason for a child not to be in school.

Illness

Parents/carers are required to notify the school on the first day the child is absent due to illness. We will request medical evidence to support any illness. This can be provided by hospital letters, appointment cards from GP/Dental surgeries, medicine prescribed.

The school will record the absence as unauthorised if they are not satisfied of the authenticity of the illness.

Pre-booked Medical or dental appointments

Where appointments are unable to be made out of school hours, the pupil should only be out of school for the required time for the appointment. Authorisation of the appointment will be marked with an 'M' where medical evidence is provided.

If no medical evidence is provided the child will be marked with a 'U' (Late after registration has closed) or 'O' (an unauthorised absence) if the child does not attend school for the whole session or full day.

Religious observance

The day must be exclusively set apart for religious observance by the religious body to which the parents belong. Advice is sought from parents' religious body about whether it has set the day apart for religious observance. The Head teacher may request proof that the child will be attending a religious observance.

Leave of absence authorised by the school

Each request will be considered individually taking into account the circumstances, i.e. the nature of the event for which leave is requested; the frequency of the request; whether advance notice has been given by the parent/carer; pupil's attainment, attendance and ability to keep up to date with missed schooling.

Holiday authorised by the school

Leave of absence will not be granted by the Head teacher unless in exceptional circumstances. To make a request the parent must complete a Request for Leave Form, and this must be signed by both parents/legal guardians who hold parental responsibility and anyone who has day to day responsibility for the child. This request must be made in advance. The Head teacher must be satisfied that there are exceptional circumstances to warrant granting the leave of absence.

If a leave of absence is approved, the Head teacher will determine the number of days the pupil can be absent from school. A leave of absence is granted entirely at the Head teacher's discretion.

Holiday not authorised by the School or in excess of the period determined by the Head teacher

Where the Head teacher has not authorised a leave of absence for the purpose of a holiday and the parents/carers still take the child out of school or extend the agreed leave of absence, the absence will be recorded as unauthorised in the register.

Regulations do not allow for retrospective approval.

Leave of absence will also be recorded as unauthorised where parents did not apply for leave of absence in advance. The maximum authorised leave that the Head teacher can grant is 20 sessions (10 days) over the academic year.

Elective Home Education

If a school receives written notification from parents/carers that they wish to home educate their child then the school will inform the Local Authority of the parents/carers decision to remove their child's name from the admissions register. Whilst school will not seek to prevent parents/carers from choosing to electively home educate their child, neither will they seek to encourage them to do this – particularly as a way of avoiding exclusion or due to a poor attendance record.

Dealing with unauthorised absence

- Until a legitimate reason is provided, all absence will be recorded as unauthorised.
- Parents/carers are expected to provide a reason for absence by phoning or emailing the school before 9.00 am on the first day of absence.
- In the first instance a text will be sent requesting a reason for absence. If no reply is received from the text message, this will be followed up with a phone call for parents/carers to provide reason for absence. Parents/carers will be requested to provide proof of absence in all instances.
- If no response is received from the parent to our attempts to contact you, your child will receive an unauthorised absence mark in the register.
- The LA regularly monitors attendance figures.
- Please see SCC Code of Conduct for issuing fines for any unauthorised absence.

Penalty Notice

If your child has 20 sessions (10 days) unauthorised absences or is late 10 times over a 12 week period, you may receive a Penalty Warning Notice, and potentially a fine.

Additionally, after completing a Request for Leave Form regarding holidays, should the schools decide not to grant leave of absence, this will be recorded as an unauthorised absence. This may also lead to a Penalty Warning Notice, and potentially a fine.

If a child is still obtaining unauthorised marks, after the Penalty Warning Notice, and a parent/legal guardian still choose to take their child out of school, this may be subject to a further Penalty Notice and subsequently a fine of £60 per parent/legal guardian* per child.

This fine will increase to £120 if not paid within 21 days. Failure to pay the £120 fine within the period 22 to 28 days may lead to Court proceedings.

Non-payment of a Penalty Notice will result in the withdrawal of a penalty notice and will trigger the fast track prosecution process under the provisions of section 444(1) of the Education act 1996.

*Generally the DfE states that parents include all those with day to day responsibility for a child.

The Code of Conduct

The Education (Penalty Notices) Regulations 2007 set out the details of how the penalty notice scheme must operate. This includes a requirement that every local authority must draw up and publish a Code of Conduct for issuing penalty notices, after consulting all schools, including academies, and the police. The code should set out the criteria that will be used to trigger the use of a penalty notice.

Please see Appendix 1 for Staffordshire Local Authority Code of Conduct for issuing Penalty Notices September 2017. www.staffordshire.gov.uk/education

Attendance Policy

Procedures

The school applies the following procedures in deciding how to deal with individual absences:

Where possible we use the child's attendance from last year as our starting point when calculating any child's attendance, especially during the first term of a new academic year.

Parents whose children have an attendance rate below 90%, will be asked to provide medical evidence for absences relating to illness ie GP appointment card, correspondence, medicine prescribed etc. for every absence. If these are not forthcoming the absence will be recorded as an unauthorised absence. When an individual pupil's attendance level falls below 95% in any term without good reason, a meeting may be arranged for the parent/carer to meet with the schools Family Support Worker, to discuss any individual issues and how the school can support the improvement in their child's attendance.

Following investigation, any unresolved issues may result in a referral to Sapling Support / Education Welfare Service. This may result in the parent receiving a Penalty Notice or ultimately a prosecution under the Education Act 1996 Section 444.

Parents/carers are informed by text between 9.30am and 10.00 am if their child is absent from school and no reason has been given. By contacting the parent/carers, we hope to ensure that the parent/carer is aware their child is not in school, enabling the parent/carer where necessary to establish their child is safe.

Rewards and incentives for attendance

Parents/carers are informed by letter three times a year - Autumn half term, Spring Half term, Summer Half term of their child's attendance using a set template letter (appendix 2)

Attendance certificates are given at the end of each term for those children who have a mark of 97% and above.

At the end of the Academic year, 100% attending children have a special assembly to celebrate their success and are awarded a certificate and a prize.

Best attending classes receive additional playtime and are awarded a certificate. Attendance is mentioned on the newsletter fortnightly.

Summary

The schools have a legal duty to publish its absence figures to parents/carers and to promote attendance.

Equally, parents/carers have a duty to make sure that their children attend school.

All staff are committed to working with parents/carers to support a high level of attendance.

Parent/Carer of

Your child is in the YELLOW GROUP (Good)

Good attendance ensures that your child is missing as little teaching and learning as possible.

Information we are obliged to inform you of is regarding unauthorised absences. Any parent whose child gains 10 days (20 sessions) over a 12-week period of unauthorised absences may receive a Penalty Notice Referral to the Local Education Authority. Our Attendance Policy is available for you to read on our Schools Website.

We operate a colour code system in an attempt to improve the attendance of all children here at Lakeside Primary School, as evidence shows that attendance does affect a child's learning and attainment.

Appendix 2 – Red Attendance Letter

Parent/Carer of

Your child is in the RED GROUP (Persistent Absence)

As part of ensuring our pupils at Lakeside Primary continue to get the best possible education, we have a statutory duty to ensure that all children attend school regularly. Our policy is to contact parents when this dips below a certain threshold (90%).

Since the beginning of the academic year, your child's attendance percentage is ...%. (amount of any unauthorised marks will be included) / In (date), when the attendance letters were sent out to you, your child's attendance mark was%. It is pleasing to see that this has improved and is now% (delete as appropriate)

Due to your child's low attendance, and as well as their mark being under 90%, all further absences will require proof of medical attention i.e. GP appointment card or medication prescribed by a GP. If this is not provided an unauthorised absence mark will be recorded in the register.

As your child is currently in the red group, they are now categorised as a "Persistent Absence Pupil" by the Local Authority. Any parent/carer whose child gains 10 days (20 sessions) over a 12-week period of unauthorised absences or is late 10 times after register closes, may receive a Penalty Notice Referral to the Local Education Authority who may then issue a Penalty Notice or Court action.

Our Attendance Policy is available for you to read on our Schools Website.

We operate a colour code system in an attempt to improve the attendance of all children here at Lakeside Primary School, as evidence shows that attendance does affect a child's learning and attainment. All children should have an attendance percentage that allows them to be in the green or yellow group.

This letter is an awareness letter, but should you have any concerns regarding your child's attendance mark, or require any additional support, please do not hesitate to make contact with us / We would like to invite you to attend a meeting to discuss this further to enable your child's attendance mark to improve.

Yours sincerely

Guidance Notes for Parents requesting Leave of Absence during Term Time

1. Parents who want the school to consider granting leave of absence in school term time should read these notes carefully, complete the attached form and return it to the school office. This form should be returned to school giving enough time for your request to be considered and well before the desired period of absence. Parents are strongly advised not to finalise any booking arrangements before receiving the school's decision regarding their request. Head teachers are unable to authorise any leave of absence unless the request is received before the period of absence begins.
2. The Department for Education makes it clear that Head teachers may not grant leave of absence during term time unless there are exceptional circumstances. Head teachers now also determine the number of school days a child can be away from school if the leave is granted.
3. There is no automatic right to any leave in term time.
4. Mercia Primary Academy Trust understands the challenges that some parents face when booking holidays particularly during school holidays. However, we believe that, in order to ensure children receive the best education and prospects, they should be in school during term time.
5. Each case will be considered individually and on its own merit. Parents need, therefore to consider very carefully before making any request for leave of absence. In considering a request, the school will take account of:
 - The exceptional circumstances
 - The attendance pattern of the child
 - Frequency of similar requests
 - The stage of the child's education and progress
 - Effects this will have on the child's future progress
 - Whether the parent made the request in advance
 - If the child is due to sit any exams including SATS – They will not normally be granted leave of absence
6. Where parents have children in more than one school, a separate request must be made to each school. The Head teacher of each school will make their own decision based on the factors relating to the child, their school and their stage of education. However, Head teachers may choose to liaise with each other as part of their decision-making process.
7. Should the school decide to grant leave of absence, but the child does not return to school at the same time they were expected to and no information is available to the school to explain and justify their continuing absence, they will be recorded as unauthorised. The school must be satisfied with any reason justifying the absence, if they are not, then the absence will also be recorded as unauthorised.

Attendance Policy

8. Should the school decide not to grant leave of absence and parents still take their child out of school, the absence will be recorded as unauthorised, which may be subject to Penalty Notice Referral / fine of £60 per parent* per child. This fine will increase to £120 if not if not paid within 21 days. Failure to pay the £120 fine within the period 22 to 28 days may lead to Court proceedings.
9. The Local Authority will continue to monitor all school absences during term time and support Head teachers in challenging parents who ignore the law.
