Dear Parents/Carers,

Happy New Year to you all and welcome back. I hope you all managed to have a restful and fun filled Christmas Period?

The Christmas time was an opportunity for us all to recharge our batteries after a long autumn term. We are now ready to get back into the amazing learning that is planned for the remainder of this academic year.

Today, it has been lovely to hear some about some of the experiences as well as the many presents the children received. I have loved hearing all about what they have got up to and what their favourite present from Santa was.

As you will undoubtedly have seen if you were on the playground this morning, the wooden Trim Trail has been replaced with some new outdoor gym equipment which the JLT (Junior Leadership team) wrote to you all about before Christmas. **Until it has been inspected, it will remain out of action/use and be taped off.** This inspection is due to take place later in the month and as soon as we have had the all clear that the equipment is safe to use, the children will be able to use it. We shall let you all know when this is the case. In the meantime, please could you ensure that no children try to use it, particularly in the morning before school or after school when the children have been dismissed. We would really appreciate your support in this matter.

Yours sincerely

Mr N. Probert
(Headteacher)
